# 魔法使いの家

once they reach someone else, they can no longer be taken back.

words, spoken and written, are the sources and shapes that tell our souls

ah, now you make your choices, after the deed has been done

when those words you speak in your head, because of the very lack of thought within them, become actual curses.

can you remember this boy's name?

...you who once called herself anubis.

"i hope you just did"

perhaps such words should never have touched your lips, sir

...!!

after all, who knows who else... or what else might be listening

Stella?

Didn't  
you say  
his name  
was  
Ethan?

...?  
What  
are you  
talking  
about?  
I just  
said  
He...

His  
Name...

I can't  
understand  
what you're  
saying...

What's  
going  
on?

His name,  
his age, the  
shape of  
his face,  
the sound  
of his  
voice.

as he  
usually  
smiles, as  
well as just  
a regular  
and soon  
even that  
soon will  
fade

soon,  
the loss  
of memory  
will fade,  
as his very  
existence  
slips out  
of her  
mind.

the bond  
between  
them has  
been  
severed.

What  
do you  
stand to  
gain from  
taking it?

Broken  
Eyes.

though in  
the process  
i might take  
one or two of  
its limbs. oh,  
who knows?  
i could give  
it a few  
more.

perhaps  
i could  
follow  
in your  
footsteps  
and take  
on an  
appearance  
of my own.

what  
do i?

this thing  
is one that  
i found.  
that i have  
claimed.

STOP!

NO!

you, girl,  
have disclaimed  
it, your claim  
to it is com-  
plete.

I could be persuaded  
to yield  
to you,  
of course,  
for a  
price.

but...

let us  
play a  
game.

spoiled  
daughter.

hmm.

you  
should  
keep my  
boy  
company.

child  
of  
shadow.

though  
I suppose  
it wouldn't  
be much  
sport with  
just you  
alone.

a  
game...

ELIAS!!

...don't  
worry,  
they're  
not far.  
not to say  
that it will  
be easy,  
of course.

the two  
of you  
can work  
together  
to find  
them.

...Aye...

...H

why??

there's no way you  
couldn't make that  
happen  
again, on this little  
hill.

you come  
from the  
far east,  
and he from  
the west,  
and somehow  
you crossed  
paths.

whether  
or not  
the blood  
that keeps  
you bound  
sours.

connections like  
that can't  
be severed  
so easily.

the more  
you two  
share in  
staying  
enough to  
make you  
stay.

believe in  
yourself,  
and in your  
mother.

and you  
grow her  
sister,  
apart  
your.

Beast...

Wait, keep  
an eye on  
Stahn, okay? I'll be right  
back, I need  
to get some-  
thing from  
home!

Chloe?

Wait!

Are you  
sure you  
want  
to see  
this?

Chloe?

...I already  
know where  
home is.

Witch and Knight Bride

We haven't  
had our  
Christmas  
party yet!  
I don't wanna  
do that with  
anyone else!

I just I wanna  
see Mom and  
Dad again,  
and I wanna  
hug them and  
play games  
with them!

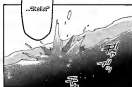

Maybe  
all of that  
together is  
what family is.  
People you  
just want to  
be with.

but that doesn't matter as long as you're my brother.

...I've had enough of you.

I have my gun, your contract, and the strings that bind.

a merry death-mus to all, now

hah.

a most entertaining defeat, my chance on my fate, seeing someone's utmost efforts is always a delight.

lead my words well.

Sometimes, we are always beside you, listening.

The words of your kind have power, yours are.

They are watching you.

It's not just us, there are those above even my kind... those that look in the dark and shadows.

Remember my words well,

child who holds nothing.

人は変わる——望むと望まないと。
